Checked Baggage and Cabin Baggage Policy

Document ID: POL-BAG-2025 | Version: 1.0 | Effective: 2025-01-01 to 2025-12-31 | Status: superseded

Fictional policy created solely for RAG development and evaluation.

1 Scope

This policy applies to AeroNova operated flights departing Dubai. A marketing carrier or codeshare partner may apply its own allowance; the booking confirmation controls if it explicitly names an operating carrier other than AeroNova.

2 Checked baggage

Economy Saver and Economy Flex each include one checked bag of up to 20 kg. Business includes up to 35 kg total in no more than two bags. No single bag may exceed 32 kg.

3 Cabin baggage

Economy passengers may bring one cabin bag weighing up to 7 kg. Business passengers may bring two cabin bags weighing up to 14 kg combined. Each cabin bag must fit within 55 x 38 x 22 cm.

4 Excess baggage

Prepaid excess baggage costs AED 45 per kg on Dubai to London services and AED 30 per kg on Dubai to Mumbai services. Airport rates can differ. The maximum permitted weight remains subject to aircraft and safety restrictions.

5 Historical use

These rules apply only to journeys departing between 1 January and 31 December 2025. They were replaced on 1 January 2026; use the 2026 policy for later departures.
