Delayed Lost and Damaged Baggage Claims

Document ID: POL-CLAIM-2026 | Version: 1.0 | Effective: 2026-02-01 to until superseded | Status: active

Fictional policy created solely for RAG development and evaluation.

1 Report at arrival

Report a missing or damaged checked bag at the baggage desk before leaving the airport where possible. Staff issue a Property Irregularity Report (PIR) reference. Keep the bag tag, boarding pass and PIR reference.

2 Delayed baggage essentials

When checked baggage is delayed away from the passenger home city, reasonable essential toiletries and basic clothing may be considered for reimbursement up to AED 180 per day for at most three days. Keep itemised receipts. Purchases after delivery are excluded. This is a review limit, not automatic payment.

3 Permanent loss

A bag can be assessed as lost after 21 days without delivery. The passenger must submit a contents list, proof of value where available, bag tag and PIR reference. Applicable international conventions and route-specific law may cap liability.

4 Damage

Report visible damage as soon as possible and submit photos and the bag tag. Normal wear such as minor scuffs is excluded. Do not promise replacement before assessment.

5 Personalised status

An agent may disclose PIR status only for the authenticated passenger associated with that case. A general policy answer may be given without accessing a customer record.
