| Economy  | Flex        | 1 bag, 25 kg            | 1 bag, 7 kg + personal item | +5 kg if eligible | 32 kg            |
| Business | Business    | 40 kg total, max 2 bags | 2 bags, 14 kg combined      | +5 kg if eligible | 32 kg per bag    |

## Notes

The confirmed ticket takes precedence over this general table. The Gold addition excludes infant tickets and group fares. It does not raise the 32 kg limit for a single checked bag. Codeshare flights operated by another airline require checking that carrier's rules.

Premium Economy is shown in the cabin illustration guide, but this corpus does not specify a general checked baggage allowance for it. Refer to the confirmed ticket or ask an agent.
