Cabin Upgrade Eligibility Table

Document ID: TAB-UPG-ELIGIBILITY-2026 | Effective 1 January 2026 | Version 1.0 | Authority: primary

The original ticketed cabin determines eligibility. This table does not guarantee availability or confirm a passenger-specific offer.

Original cabin/fare	Requested upgrade	Allowed?	Important condition
Economy Saver	Premium Economy Standard	Possible	Only when an eligible offer is displayed
Economy Saver	Business	No	Direct Business upgrade prohibited
Economy Flex	Premium Economy Standard	Possible	Only when an eligible offer is displayed
Economy Flex	Business	No	Direct Business upgrade prohibited
Premium Economy Standard	Business	Yes	Subject to upgrade inventory and exclusions
Originally Economy, later upgraded to Premium Economy	Business	No	Sequential upgrades cannot bypass the original-cabin rule
Operational upgrade	Business	Separate	Airline-controlled; does not alter original fare rules

Notes

Business upgrades are unavailable on codeshare segments operated by another airline under this policy. Group fares, staff travel, infant tickets without a separate seat, and unresolved ticketing or payment cases are excluded. A passenger remains in the original cabin until an upgrade confirmation is issued.
